# MEETING THE NEEDS OF THE COMMUNITY

A flexible curriculum is used in order to meet the needs of all participants. Club 78 does not require students to attend daily. They may come several days a week or every day during the week. Studies have shown, however, that students who attend regularly do better in school than those who only attend a few days a week.

# IMPORTANT INFORMATION

Parents and youth are responsible for determining which days participants will attend the program.

Due to limited space and high interest, enrollment will be handled on a first-come, first-served basis.
